

Carlos Merida

Carlos Mérida is a System Manager for ISCC PLUS at ISCC, where he contributes to the development of the ISCC PLUS certification system and monitors international regulations related to sustainability and the circular economy.

He began his career in private legal practice before joining the Guatemalan Food and Beverage Association, where he focused on regulatory affairs and sustainability. His experience also includes roles in international cooperation and environmental law through internships at the IUCN Environmental Law Centre and the German Agency for International Cooperation (GIZ).

Carlos holds a Law Degree and is a qualified Lawyer and Notary in Guatemala. He also holds a Master of Science in Environmental Governance.
